Every Sunday Morning:

Why: Making Sense of God's Will by Adam Hamilton

When the ground shakes, and a poor nation's economy is destroyed; when the waters rise, washing away a community's hopes and dreams; when a child suffers neglect and abuse; when violence tears apart nations; where is God? If God is all powerful, and if each one of us is a beloved child of God, then how can God allow tragedy and suffering to infest his creation?

Breakfast is served.
